c. Privacy and Data Location. We treat Customer Data in accordance with our Privacy Statement. Subject to any restrictions set forth in the Privacy Statement, we may transfer to, store, or process Customer Data in any country where we or our Affiliates or subcontractors have facilities that provide or support the Offering. We are a data processor (or sub-processor) acting on your behalf, and you appoint us to do these things with Customer Data in order to provide the Offering to you. You agree not to use the Offering to intentionally collect, store, process or transmit any Sensitive Personal Information. You acknowledge we are not a Business Associate or subcontractor (as those terms are defined in HIPAA) or a payment card processor and that the Offering is neither HIPAA nor PCI DSS compliant.

d. Third Party Data. You will obtain any necessary consent from End Users or others whose personal information or other data you will access, publish, share, store, reproduce or host using the Offering. For clarity, you will be solely responsible for obtaining the necessary clearances, consents and approvals from any applicable party under all applicable Laws. You expressly acknowledge and agree that OSISOFT is not responsible for managing the relationship and the scope of Customer Data being shared between Parties using our Offerings.

e. Ownership of Customer Data. Except for Offerings provided to you, as between the parties, you retain all right, title, and interest in and to Customer Data. f. Third-party Requests. We will not disclose Customer Data to a third party (including law enforcement, other government entity, or civil litigant; excluding our subcontractors) except as you direct or unless

required by law. Should a third party contact us with a demand for Customer Data, we will attempt to redirect the third party to request that data directly from you. As part of this effort, we may provide your basic contact information to the third party. If legally compelled to disclose Customer Data to a third party, we will promptly notify you and provide a copy of the demand, unless legally prohibited from doing so. You are responsible for responding to requests by third parties regarding your use of the Offering, such as requests to take down content under the Digital Millennium Copyright Act.

g. Subcontractors. We may hire other companies to provide limited services on our behalf, such as customer support. Any such subcontractors will be permitted to obtain Customer Data only to deliver the services we have retained them to provide, and they are prohibited from using Customer Data for any other purpose. We remain responsible for our subcontractors' compliance with the obligations set forth in this Agreement.

h. Compliance with Law. We will comply with all laws applicable to our provision of the Offering, including applicable security breach notification laws, but not including any laws applicable to you or your industry that are not generally applicable to information technology services providers. You will comply with all laws applicable to your Customer Solution, Customer Data, and your use of the Offering, including any laws applicable to you or your industry.

3. Pricing and Payment.

a. Available Subscription Offers. The Portal provides Quotes for available Subscription offers, which generally include (but are not limited to) one or a combination of the following:

- i. Commitment Offering. You commit in advance to purchase a specific quantity for use during a Term and to pay upfront or on a periodic basis during the Term in advance of use. Additional or other usage (for example, usage beyond your commitment quantity) may be billed like a Consumption Offering.
- ii. Consumption Offering (also known as Pay-As-You-Go). You pay based on actual usage in the preceding quarter with no upfront commitment. Payment is on a quarterly basis in arrears.
- iii. Limited Offering. You receive a limited quantity of Offering for a limited term without charge (for example, a free trial), as part of another OSISOFT offering (for example, OSISOFT's Connected Services Agreement Program), or on an academic basis. Provisions in this Agreement with respect to pricing, cancellation fees, payment, and data retention may not apply.

b. Pricing. Unless we specify otherwise in the Quote and/or accompanying documentation, licensing and pricing for the Offering will be based on the average number of daily accessed streams across all connections. A stream is accessed, and thus counted, when it is retrieved through an API call, either internal or external. Unless we specify otherwise in the Quote and/or accompanying documentation, multiple API calls from the same account to the same stream within the same day do not affect the accessed stream count, regardless of the number of calls. Any add-ons purchased may follow a different set of licensing and pricing metrics. Add-on features to the package are priced according to metrics specified in the Quote.

c. Overages. Overages will be assessed and invoiced at the end of the Subscription Term, based on a percent of usage that exceeds committed usage (as previously specified in the Quote and/or accompanying documentation) and will be billed at the then-current price. We reserve the right to monitor your usage of APIs and place limits on access to such APIs if we believe that your usage is in breach of this Agreement or

may negatively affect the Offering (or otherwise impose liability on us).

d. **Order and Payment.** Unless we notify you that you do not meet our then-current credit standards and policies, you will pay our invoices within thirty (30) days of the invoice date, unless another payment period is specified in the Quote and/or accompanying documentation. If we notify you, invoices will be due upon receipt. All fees are non-cancelable, non-contingent and non-refundable except as expressly stated in this Agreement. You will pay all amounts due under our invoices in U.S. currency, free of any and all currency controls or other restrictions. If you do not pay our invoices in full by the (40) fortieth day after the invoice date, you will be charged the lower of 1.5% per month or the highest rate permitted by applicable law on the amount that is past due. Except for taxes paid by us on our net income, unless otherwise agreed in this Agreement, all amounts due pursuant to our invoices are net of, and you will be solely responsible for any shipping charges, use, sales, value-added, import or other taxes, fees, tariffs or duties associated with this Agreement per the Taxes Section below.

- i. For Commitment Offerings, you must pre-pay based on your committed usage. The price level may be based on the quantity of Offering you ordered. Some offers may permit you to modify the quantity of Offering ordered during the Term and your price level may be adjusted accordingly, but price level changes are not retroactive. During the Term of your Subscription, prices for Offering will not be increased, as to your Subscription, from those posted in the Portal at the time your commitment period commenced or renewed, except for Previews where prices are identified as temporary. All prices are subject to change at the beginning of any Subscription renewal.
- ii. For Consumption Offerings, pricing is subject to change at any time upon notice. You will be billed on a quarterly basis, unless otherwise stated in the Quote.

e. **Overdue Charges.** If the invoiced amount is not received by us by the due date, we will notify you. If any amount owing by you under this Agreement for our service is thirty (30) or more days overdue, we may suspend our services to you until such amounts are paid in full.

f. **Cancellation Policy.** You may cancel this subscription at any time upon thirty (30) days written notice. You will have access to your data for thirty (30) days after cancellation. Payment is required for any outstanding fees incurred.

g. **Affiliates.** You may place orders for your Affiliates under this Agreement and grant your Affiliates administrative rights to manage subscriptions, but Affiliates may not place orders under this Agreement directly to us. If you grant any rights to Affiliates with respect to your Subscription, such Affiliates shall be bound by this Agreement and you agree to be jointly and severally liable for any actions of such Affiliates related to their use of the Offering.

h. **Renewal.** Upon renewal of your Subscription, this Agreement will terminate and your Subscription will thereafter be governed by the terms and conditions set forth on the Portal on the date on which your Subscription is renewed (the "Renewal Terms"). If you do not agree to any Renewal Terms, you may decline to renew your Subscription.

- i. For Commitment Offerings, you may have the option to have a Subscription automatically renew or terminate upon expiration of the Term. If available, automatic renewal is pre-selected. You can contact us in writing to opt out of automatic renewal at any time during the Term. If the existing Term is longer than one calendar month, we will provide you with written notice of the automatic renewal before the expiration of the Term. If you do not opt out of

automatic renewal you accept and agree to the then-current OSISOFT Cloud Services Agreement available at: www.osisoft.com/usage-and-service-terms.

- ii. For Consumption Offerings, the Subscription renews automatically at the end of every month until you terminate the Subscription.
- iii. For Limited Offerings, renewal may not be permitted.

i. Taxes. Prices are exclusive of any taxes. You shall pay any applicable value added, goods and services, sales, or like taxes that are owed with respect to any order placed under this Agreement and which we are permitted to collect from you under applicable law. You shall be responsible for any applicable stamp taxes and for all other taxes that you are legally obligated to pay including any taxes that arise on the provision of the Offering to your Affiliates. We shall be responsible for all taxes based on our net income or on our property ownership. If any taxes are required to be withheld on payments you make to us, you may deduct such taxes from the amount owed to us and pay them to the appropriate taxing authority, provided however that you promptly secure and deliver an official receipt for those withholdings and other documents we reasonably request to claim a foreign tax credit or refund. You will make certain that any taxes withheld are minimized to the extent possible under applicable law.

4. Term, Termination and Suspension.

a. Agreement Term and Termination. This Agreement will remain in effect until the expiration, termination, or renewal of your Subscription, whichever is earliest.

b. Subscription Term and termination. You may terminate this Subscription at any time during its Term; however, you must pay all amounts due and owing before the termination is effective, and no refunds will be provided.

- i. Ninety (90) Days Subscription. A Subscription with a ninety (90) days Term may be terminated at any time without any cancellation fee.
- ii. Subscriptions of more than ninety (90) days. If you terminate a Subscription within 30 days of the date on which the Subscription became effective or was renewed, you must pay for the initial 30 days of the Subscription, but no payments will be due for the terminated portion of the Subscription. If you terminate a Subscription at any other time during the Term, you must pay for the terminated portion of the Subscription as set forth in the Quote and/or accompanying documentation for your Subscription.
- iii. Limited Offering. This Agreement will terminate if the agreement under which a Subscription was provided expires or is otherwise terminated.

c. Customer Data Return and Deletion. When a Subscription expires or terminates, we will retain any Customer Data you have not deleted for at least ninety (90) days so that you may request it, except for free trials, where we may delete Customer Data immediately without any retention period. You remain responsible for all storage and other applicable charges during this retention period. Following the expiration of this retention period, we may delete all Customer Data, including any cached or back-up copies. Any retention period longer than ninety (90) days will be noted in the Quote and/or accompanying documentation. You agree that we have no additional obligation to continue to hold, export or return Customer Data and that we have no liability whatsoever for deletion of Customer Data pursuant to these terms.

d. Regulatory. In any country where any current or future government regulation or requirement applies to us, but not generally to businesses operating there, presents a hardship to us operating the Offering without change, and/or causes us to believe this Agreement or the Offering may be in conflict with any such regulation or requirement, we may change the Offering or terminate this Agreement. If we use this subsection 4(d) of the Agreement to change the Offering, then you may terminate this Agreement.

e. Suspension. We may suspend your use of the Offering if: (1) it is reasonably needed to prevent unauthorized access to Customer Data; (2) you fail to respond to a claim of alleged infringement under Section 7 within a reasonable time; (3) you do not pay amounts due under this Agreement; or (4) you do not abide by the Acceptable Use Policy stated in paragraph 1(e) or you violate other terms of this Agreement. If one or more of these conditions occurs, then:

- i. For Limited Offerings, we may suspend your use of the Offering or terminate your Subscription and your account immediately without notice.
- ii. For all other Subscriptions, a suspension will apply to the minimum necessary part of the Offering and will be in effect only while the condition or need exists. We will give notice before we suspend, except where we reasonably believe we need to suspend immediately. We will give at least fourteen (14) days' notice before suspending for non-payment. If you do not fully address the reasons for the suspension within fourteen (14) days after we suspend, we may terminate your Subscription and delete your Customer Data without any retention period. We may also terminate your account if your use of the Offering is suspended more than twice in any twelve (12) consecutive months period.

5. Service Level Agreement and Support

a. Provision of Purchased Offering. We will use commercially reasonable efforts to make the Offering available 99% of the time, calculated on a monthly basis, except for: (i) planned downtime (of which we shall give at least forty-eight (48) hours electronic notice, and (ii) any unavailability caused by circumstances beyond our reasonable control, including, for example, an act of God, act of government, flood, fire, earthquake, civil unrest, act of terror, strike or other labor problem (other than one involving our employees), Internet service provider failure or delay, or denial of service attack. We will not modify the terms of this subsection 5(a) during the initial terms of your subscription. Any updated terms will be reflected in your renewal term.

b. Requesting Credits. If the Offering does not meet the 99% availability described above, then you may be eligible for a credit towards your service fees. A claim must be sent to cloudservices@osisoft.com for us to consider any credit requests. A valid claim must include the following information:

- i. A detailed description of the incident(s) that caused the downtime;
- ii. Information regarding the time and duration of the downtime;
- iii. The number and location(s) of affected users (if applicable), and;
- iv. Descriptions of your attempts to resolve the incident(s) causing the downtime at the time of occurrence.

Claims must be received within thirty (30) days of the incident causing the downtime. We will evaluate all information reasonably available to us and make a good faith determination of whether you are eligible for credits and amount of credits owed. We will use commercially reasonable efforts to process claims during the subsequent thirty (30) days and within sixty (60) days of receipt of the claim.

c. Credits. Credits are your sole and exclusive remedy for any availability issues related to this offering. You may not unilaterally offset service fees for availability issues. Credits will be calculated as the credit percentage identified in the credit table below multiplied by your subscription fee attributable to the corresponding month (calculated on a straight line pro-rated basis with respect to any fees paid in advance).

Uptime Percentage (UP)	Credit Percentage (CP)
95% <= UP < 99%	10%
90% <= UP < 95%	20%
UP < 90%	30%

d. Technical Support. We will provide you with our standard support for this offering at no additional charge. End Users can access contact information for OSIssoft Technical Support via the Portal. Such assistance may include remote computer communications to End Users' facilities. We will use reasonable best efforts to respond to all Technical Support queries within four (4) hours.

e. Disaster Recovery (DR). While OCS is built on Azure's highly available and resilient services for storage and compute, we have put in place DR procedures to protect against catastrophic events. In case of such event, we will use these procedures to deliver reasonable best efforts for data Recovery Time Objective (RTO) and Recovery Point Objective (RPO).

6. Warranties.

a. Limited Warranty. We warrant that the Offering will meet the terms of the Service Level Agreements (SLAs) specified in the Offering Details during the Term. Your only remedies for breach of this warranty are those in the SLAs.

If we reasonably believe that a claim under subsection 7(a)(i) may bar or materially impact your use of Subscription rights, we will seek to: (i) obtain the right for you to keep using it; or (ii) modify or replace it with a Subscription that is reasonably similar. If these options are not commercially reasonable, we may terminate your rights to use the Offering and then refund any advance payments for unused Subscription rights.

d. Obligations. A party seeking protection under Section 7(a) must promptly notify the other party promptly of any such claim in writing. The party seeking protection must (1) give the other sole control over the defense and settlement of the claim; and (2) provide reasonable assistance in defending the claim. The party providing the protection will (1) reimburse the other for reasonable out-of-pocket expenses that it incurs in giving that help and (2) pay the amount of any resulting adverse final judgment (or settlement that the other consents to). The parties' respective rights to defense and payment of judgments or settlements under this Section are in lieu of any common law or statutory indemnification rights or analogous rights, and each party waives such common law rights.

8. Limitation of Liability.
